Please allow extra time prior to the start of the event to download any necessary software that may be needed to view the webcast.

About Compass Diversified

Since its IPO in 2006, CODI has consistently executed its strategy of owning and managing a diverse set of highly defensible, middle-market businesses across the industrial, branded consumer and healthcare sectors. The Company leverages its permanent capital base, long-term disciplined approach, and actionable expertise to maintain controlling ownership interests in each of its subsidiaries, maximizing its ability to impact long-term cash flow generation and value creation. The Company provides both debt and equity capital for its subsidiaries, contributing to their financial and operating flexibility. CODI utilizes the cash flows generated by its subsidiaries to invest in the long-term growth of the Company and has consistently generated strong returns through its culture of transparency, alignment and accountability.
